

INNOVATIVE EDUCATION FOR CHILDREN WITH AUTISM SPECTRUM DISORDERS

OUR MISSION: To provide educational services specifically tailored to meet the individualized needs of students with high-functioning Autism or any related Autism Spectrum Disorders (ASD) and to focus these services on maximizing the students' potential for inclusion into mainstream society.

OUR SUMMER CAMPS:

The Chase Academy has summer explorations available for each age group to help maintain and develop skills that are unique to kids with ASD. Summer is a prime time to learn something different and something new. The Chase Academy is here to help build a better, more productive summer for kids with ASD.

Summer Science Sleuths

Science Skill Developmental Program

Based on Florida state's Big IDEAS, this integrative program increases student achievement, preparing them for success in school, not only in science but across disciplines.

- **Session 1:** *Splat, Gak & Fizz*, June 17-28. Science can be mess, and kids love that! Students learn about the steps involved in Scientific Inquiry, making quite a mess in the process!
- **Session 2:** *Under our Feet & Outta this World*, July 1-12. Learn about our earth home as well as our universe with hands-on activities that help kids explore the world(s) around them
- **Session 3:** *It's a Matter of Matter*, July 15-26. So what IS matter anyway? Kids explore the building blocks of all life, learning what makes matter so important!
- **Session 4:** *Earth Explorations*, July 29-August 9. This planet is one non-stop science camp! Campers learn the ins and outs of how our planet, and all who inhabit it, continues to adapt, grow and thrive.

**Monday-Friday, 9am-2pm
One-Time Registration Fee: \$50
\$250/session; \$850/all 4 sessions**

Before/After Care provided at an additional cost. Registration Deadline: 10 days prior to camp's start date. All camp fees due for the upcoming week of camp. Bagged lunch and drink recommended.
